

CURRICULUM VITAE

MACLEAN NYASULU

University of Malawi, P.O. Box 280, Zomba, Malawi.

Email: macleannyasulu2004@gmail.com

Gender: male

Nationality: Malawian

Languages: English and Chichewa

Contact Detail: +265991147278/ +265893508239

PERSONAL PROFILE

A highly motivated and detail-oriented graduate with Bachelor of Science Degree in (Geography) from University of Malawi. Brings demonstrated experience in GIS, Remote sensing, land surveying, field enumeration, AUV/drone mapping and geospatial analysis. Equipped with strong research skills, data analytical skills, communication and organizational skills and a proven commitment to organization protocols. Eager to apply geographical information system (GIS) and field data collection competencies in support of any initiatives.

SKILLS

Microsoft Office Proficiency: Word, Excel, PowerPoint

Technical Skills: GIS (QGIS, ArcMap, GEE and RStudio), Remote Sensing, OpenStreetMap, UAV/Drone Mapping, webODM, ODK, kobo tool box and digital data collection

WORKING EXPERIENCE

Data analyst: Centre for Community Development (CCODE)

June 20 - June 30, 2026

- Processed UAV imagery using webODM, Excel to produce high-quality geospatial data
- Cleaned, validated and analyzed geospatial datasets using RStudio, QIS to ensure accuracy and consistency
- Performed spatial analysis to support community mapping, urban planning and humanitarian projects.

Drone operator : OpenStreetMap Malawi

June 8 - June 20 2026

- Planning and operating safe drone flights for community mapping projects
- Processing aerial imagery into orthomosaics and other geospatial products
- Supporting humanitarian and community mapping initiatives through accurate geospatial data collection

Land Surveyor Intern: COMET Surveys, University of Malawi

August 2024 - May 2026

- Conducting drone mapping for topographic surveys and data digitizing
- Using GNSS/RTK gps for cadastral surveying
- Applying geospatial tools to collect, verify, and submit quality field data

- Reporting survey outputs and quality data directly to the managing director

Field Enumerator: CARD LUANAR

1 June, 2024 - July 2024

- Digitally registered, profiled and geo-mapped farm parcels across rural communities
- Used mobile customized survey for data collection and submit quality geo-tagged farmer data
- Applied enumeration protocols ensuring accuracy, completeness and data integrity in field operations

GIS Field Researcher: Trash sites & Sanitation Mapping: YouthMappers / International Organization Partnership

11 September, 2025

- Led GIS-based trash and sanitation mapping project in residential areas of Chikanda community
- Applied geospatial tools to monitor and assess sanitation and hygiene conditions in residential areas
- Demonstrated practical application of GIS in community health monitoring, informing hygiene interventions
- Collaborated with international and local partners in project design, field data collection and reporting

EDUCATION & QUALIFICATIONS

Awarded : Bachelor of Science degree in Geography (on 26 August 2026)

Institution : University of Malawi (UNIMA)

Year : 2022 – 2026

Awarded : Certificate geospatial data analysis with ChatGPT and google earth engine course on the water learning center (WLC)

Institution : United Nations University Institute for Water, Environment and Health and Disaster Risk Reduction Division of UNESCAP

Year : July 2026

Awarded : Certificate in Open mapping for sustainable cities

Institution : Humanitarian Openstreetmap Team (HOTOSM)

Year : 17 Feb 2026

Awarded : Certificate in introduction to GeoAI

Institution : YouthMappers Academy

Year : May 21, 2026

Awarded : Certificate - African Drone and Data Academy

Institution : Malawi University of Science and Technology (MUST) Level (1,2)

Year : (Level 1, Dec 2024 - Jan 2025), (Level 2) Jan 2026 – Feb, 2026

Awarded : Certificate European Aviation safety agency

Institution : Malawi University of Science and Technology (MUST) Level (1,2)

Year : (Dec 2024 - Jan 2025)
Awarded : Certificate, Application of GIS and Remote Sensing in Environmental Conservation mapping & Biodiversity Monitoring (Levels 1, beginner – 4, expert):
Institution : Regional Centre for Mapping of Resources for Development (RCMRD), Nairobi
Year : Aug - Sept 2025
Awarded : Certificate Application of GIS in Trash Mapping & Sanitation Monitoring
Institution : University of Malawi YouthMappers / International Partner
Year : September, 2025
Awarded : Certificate in Project Management
Institution : Millennium Campus Network (MCN)
Year : 2024
Awarded : Malawi School Certificate of Education (MSCE)
Institution : Euthini Secondary School
Year : (2017-2021)

VOLUNTEER EXPERIENCES

President : YouthMappers Chapter: University of Malawi
2024–2025 Academic Year

- Led monthly mapathons contributing to Humanitarian OpenStreetMap (HOTOSM) global projects
- Organized community outreach mapping activities benefiting local communities
- Represented the chapter in national and international OSM workshops and talks
- Managed a team of student mappers, coordinating activities, schedules and deliverables

Millennium Fellow: Millennium Campus Network (MCN), United Nations Academic Impact (UNAI)

Class of 2024

- Completed a structured fellowship focused on sustainable development and community impact
- Awarded certificate in Project Management upon successful completion of the program

Mapathon participant: TomTom , HOTOSM and Youthmapper mapping campaign

- participation in the 30Day Map Africa Challenge
- direct contributions to the improvement of the Africa map.

June 6th to July 6th 2025
